

Notes for Users

See below for the information supplementing the manuals for this machine.

About the Remote Control function of the control panel

This function supports the Web browsing environments listed below.

For the operating systems supported by each Web browser, see the list of supported operating systems provided by the developer of the browser.

- Google Chrome 62 or later
- Firefox 56 or later
- Microsoft Edge 40 or later
- Internet Explorer 11.0 or later

The function supports input operations by keyboard and mouse only.

Input operations on a touch-screen operation device are not supported.

(Keyboard and mouse operations are also not supported on a touch-screen operation device.)
